Subject: Important Notice to all Plans: Weekly TRR transmitted on June 25th rather than June 24th

Important Notice to all Plans:

Please be aware that the Weekly TRR data and report files which were scheduled to be transmitted to Plans on Saturday, June 24th, were delayed. These files were transmitted on Sunday, June 25, 2006. The file names reflect Sunday's date.

Plans' regular weekly TRR files used the normal naming conventions with Sunday's date:

e.g. P#MMA.@BGD5050.PLNxxxxx.YM200606.D25.TRWEEKD and

P#MMA.@BGD5050.PLNxxxxx.YM200606.D25.TRWEEKR
